2.4 Fees and prices for doctorate at UPV

The academic fees of university degrees in the Valencian Community are established, each year, by the body responsible for the Generalitat Valenciana (Autonomous Government).

You have the details of the academic fees (public prices) for this academic year in this link.

The general enrollment fees for each academic year (from September 1 to July 31 of the following year) are those corresponding to the following concepts:

- Enrollment tutelage academic doctorate regulated Royal Decree 99/2011 (to be paid every academic year till the end of the thesis)
- Opening of the academic record and student card (Only with the first enrollment)
- In case of having master subjects to pass as complementary training, the fees for these subjects.
