Ataque phishing del 01 de octubre de 2019, actualizar cuenta

Mensaje falso

The screenshot shows a browser window with the title "actualizar cuenta - Mensaje (HTML) (solo lectura)". The browser's address bar and navigation icons are visible at the top. Below the browser window, the email content is displayed. The sender is identified as "UPV Universitat Politècnica de València" with the email address "<ogboylaurance84@gmail.com>". The subject of the email is "actualizar cuenta". The email body contains a message in Spanish, starting with "Dear,UPV Universitat Politècnica de València user". The message states: "We noticed that your mailbox account has exceed its limit and you may not be able to receive or sent mail anymore. Kindly click the link below to validate your account." A blue hyperlink is provided: "<http://www.123formbuilder.com/form-5063118/upv-universitat-politecnica-de-valencia>". The message concludes with "failure to do so your account will be permanently disabled", "thanks for your co.operation", "@copywrite 2019", and "UPV Universitat Politècnica de València".
