

4.7 What happens if in a sport I qualify for Play Off in several groups?

- Can I participate in the Play Offs of two different teams/doubles?

Yes, but as long as teams/doubles do not play against each other, should that be the case, you must decide which team you play for and communicate so to the competition manager and the respective captains/team mates

- What happens if I qualify for the Play Offs in several groups for an individual sport?

If you qualify for the Play Off in two or more groups, you will only be able to participate in the group in which you are better ranked, and if the classification is similar in two or more groups you may choose in which to participate.
