

2.6.1. How can I access the UNE standards?

The UPV Library gives access to the AENORMás database, which offers to UPV members unlimited access to current, ratified and cancelled UNE standards, to read online or download in PDF format.

You can access the UNE standards database from [PoliBuscador](#) by searching **AENORMás**.

In the list of results, click on [Online access](#) to access the AENOR website directly.
