

8.2.5. Why my TFG or TFM is not in RiuNet?

If your Bachelor's Thesis or your Master's Thesis have been recently submitted, they will be uploaded to RiuNet from the management application. If you do not find them in RiuNet within 15 days of reading it, please [ask a librarian](#). Normally these 15 days are left for minor modifications before the work is included in RiuNet.
